

PRESS-ON NAIL Photo Guide

NO TIME TO MEASURE? NO PROBLEM!

Just send me a few clear photos and I'll measure for you!

HOW TO TAKE YOUR PHOTOS

1

Place your **left hand** flat on a table or flat surface with good lighting.

2

Then take a clear photo of your **right hand**.

3

Take a close-up photo of your **left thumb** with a quarter next to it (not on top).

4

Take a close-up photo of your **right thumb** with a quarter next to it (not on top).

5

Make sure the quarter and your nails are on the same flat surface and in **clear focus**.

GOOD EXAMPLES

Left hand
(full photo)

Left hand

Right hand
(close-up)

Right thumb

Right thumb
(close-up)

BAD EXAMPLES

Too dark

Blurry or
out of focus

Quarter on
top of nail

Angled photo

Missing fingers
or thumbs
